 - 2nd weekend in September
 - What is the cost to add a liability coverage for non member events put sponsored by IW?
 - We could hold up to 10 events a year that are sponsored by IW but non members are present
 - What does a 1 day special event coverage cost?
 - A lot of our non members volunteer at the club for many events
 - We will request any events put on by members or groups outside of IW sponsored events to have their own special even coverage
